ORIGINAL SIN

Book One in the Seven Deadly Sins series

Haunted by chilling memories of demonic possession and murder, Moira O'Donnell has spent seven years hunting down her mother, Fiona, whose command of black magic has granted her unprecedented control of the underworld. Now Moira's global search has led her to a small California town that's about to become hell on earth.

Tormented by his own terrifying past and driven by powers he can't explain, ex-seminarian Rafe Cooper joins Moira's dangerous quest. But Fiona is one devilish step ahead. Hungry for greater power, eternal youth, and stunning beauty, the sorceress is unleashing upon the mortal world the living incarnations of the Seven Deadly Sins.

Together with a demonologist, a tough female sheriff, and a pair of star-crossed teenagers, Moira and Rafe are humanity's last chance to snatch salvation from the howling jaws of damnation.

CARNAL SIN

Book Two in the Seven Deadly Sins series

Santa Louisa is still reeling from the lethal rampage of the demon Envy, one of the Seven Deadly Sins released from Hell by black magic. The fiendish entity was finally trapped, but when more bodies bearing satanic marks surface in Los Angeles, demon hunter Moira O'Donnell fears the terror has only just begun.

Racing to L.A., Moira discovers that the City of Angels is fast becoming the demon Lust's decadent playground. She suspects another coven is at work, aided indirectly by her diabolical mother, the powerful witch Fiona. But when Moira's unwanted psychic powers intensify, she fears her connection to the underworld is putting everyone she cares about in grave danger.

As supernatural war erupts, Moira and smoldering, seductive Rafe Cooper are caught in the crossfire. Cornered by mortal and unearthly enemies, they must master all their own powers to survive—and to understand if the intensely passionate feelings that bind them are Lust's demon magic or true desire.
